

# Consent to Use Logo and Name When Making Phone Calls

The undersigned has authority to grant and hereby grants consent on behalf of

\_\_\_\_\_ ("Organization") authorizing

FluvioAI Inc. ("Service Provider") and their sub-contractors to send our organization's branding (which may include name, logo, purpose for calling and any related and necessary information) when making a phone call as part of our Organization's outreach program. Our branding information is authorized for calls made from the below listed or attached telephone numbers which are owned by, subscribed to or managed on behalf of Organization. This authorized list of phone numbers may be modified by submitting list changes either electronically or in writing. This consent is granted as of the Effective Date below and will continue until an authorized representative of the Organization rescinds such consent in writing.

We understand that the specific sub-contractors will vary depending on the telephone company used by the individual being called.
